## INDEX TO VOLUME XCII.

- Annot, S. L. Hepatic abscesses; fatal peritonitis : Case of the late Secretary of the State Board of Health, 429  
 Abscess of the urethral canal in a new-born infant, 479  
 Accidental re-vaccination, 46  
 Adherence of prepuce and gland in infant, 453  
 Advertising, medical, 477  
 Affections of the sebaceous glands, 92, 313  
 American Medical Association, the, 165, 428, 513, 603 ; proceedings of, 562 : the meeting of, 569  
 American Otological Society, transactions of, 163  
 American surgery, 21  
 Anemic souffle and fatty degeneration of the heart, 174  
 Anisgesia, case of circumscribed, 137  
 Anatomy of the facial region, Allen on the, 161  
 Anatomy, recent progress in, 259, 292  
 Anderson on the treatment of eczema, 161  
 Anencephalus, 326  
 Aneurism of the aorta, 76 ; treated by electrolysis, 510  
 Animal mechanism, Marcy on, 42  
 Ann Arbor, letter from, 55  
 Annual election of district medical society officers, 610, 642  
 Annual report of President Elliot, the, 106 ; of the surgeon-general, 49  
 Anomalous ligament, an, 272  
 Antiphlogistic action of carbolic acid, the, 167  
 Aphasia, Werneck on the theory of, 583  
 Arm, case of supposed injury to the, 446  
 Arica, tincture of, its poisonous action upon the skin, 61, 73  
 Artificial feeding of infants, the, 643  
 Aspiration in pleurisy, 208  
 Babies' sore eyes, 89, 286  
 Basilar meningitis, 593  
 Bachelder, S. F. Mammitis, 437 ;  
 Bigelow, Henry J. The true neck of the femur, 1, 29 ; turbinated cornua externa, 489  
 Bigelow, W. S. An unusual result of septic poisoning : discolored skin ; diptheria ; hæmaturia ; spores, 277  
 Bixby, George H. Enucleation of an intra-mural uterine fibroid, 409  
 Blake, Clarence J. The use of the membrana tympani as a phonograph, 121  
 Bones, specimens of injured, 17  
 Books and pamphlets received, 176, 247, 368, 398, 456, 548, 589, 769  
 Books and pamphlets reviewed : —  
   Allen on the Anatomy of the Facial Region, 161 ;  
   American Public Health Association, Transactions of the, 232 ; Beard and Rockwell on Electricity, 620 ; Bradley's Comparative Anatomy, 623 ; Carpenter on Microscopy, 470 ; Comparative Anatomy and Physiology, Manual of, 622 ; Corson on the Treatment of Pleurisy, 353 ; Cutaneous Medicine, Purdon on, 352 ; Dental Pathology and Surgery, Salter on, 471 ; Diseases of the Stomach, 623 ; Dobell on Winter Cough, 625 ; Drysdale on the Protoplasmic Theory of Life, 349 ; Dutcher on Tuberculosis, 353 ; Early Medical History of the United States, 72 ; Eastern Medical Association of North Carolina, 625 ; Electricity, Beard and Rockwell on, 620 ; Foster and Balfour on Embryology, 630 ; Fowler on the Urine, 534 ; Fox on Diseases of the Stomach, 623 ; Frev on Histology, 471 ; Insane Hospital Reports, 625 ; Knight's Orthopædia, 357 ; Küss's Lectures on Physiology, 532 ; Lunacy Report of the Commissioners of, 230 ; Lying-In Hospital, the Boston, 534 ; Marcy on Animal Mechanism, 42 ; Mayne's Medical Vocabulary, 631 ; Microscopy, Carpenter on, 470 ; Murchison on Functional Derangements of the Liver, 689 ; Northampton State Lunatic Hospital, Report of, 475 ; Ophthalmological Transactions, 235 ; Orthopædia, 357 ; Pettenkofer on the Prevention of Cholera, 472 ; Philadelphia Medical Register, the, 621 ; Phosphorus, Thompson on the Use of, 70 ; Physiology, Küss's Lectures on, 532 ; Pleurisy, the Treatment of, 353 ; Protoplasmic Theory of Life, the, 349 ; Purdon on Cutaneous Medicine, 352 ; Report of the Commissioners of Lunacy, 230 ; Report of the Health Officer of the City and County of San Francisco, 356 ; Report of the Medical Commission upon the Sanitary Qualities of the Sudbury, Mystic, Shawshine, and Charles River Waters, 414 ; Report of the Northampton State Lunatic Hospital for 1874, 475 ; Ringer's Therapeutics, 354 ; Saint Bartholomew's Hospital Reports, 476 ; Salter on Dental Pathology and Surgery, 471 ; Sanitary Matters in San Francisco, 622 ; Sanitary Relations of Migrants and Sailors, 622 ; Steiner on the Diseases of Children, 686 ; Syphilis, Taylor on, 600 ; Therapeutics, a Handbook of, 354 ; Thompson on the Urinary Organs, 73 ; Thompson on the Use of Phosphorus, 70 ; Tuberculosis, Dutcher on, 353 ; Tyson on the Examination of the Urine, 286 ; Urine, Fowler on, 534 ; Wilder on the Reproductive Function, 692 ; Williams on Diseases of the Eye, 691 ; Winter Cough, Catarrh, Bronchitis, Emphysema, Asthma, on, 625 ; Worcester Lunatic Hospital, Report of, 355 ; Ziemssen's Cyclopedia, 13, 476  
 Borland, J. N. Two cases of fracture of the sternum, 492  
 Boston City Hospital, surgical operations at the, 25, 83, 113, 141, 172, 213, 271, 303, 339, 363, 389, 422, 452, 483, 515, 574, 631  
 Boston Common, 536  
 Boston, concerning the sewerage of, 77  
 Boston Dispensary, the, 155  
 Boston Society for Medical Improvement, proceedings of, 15, 73, 124, 199, 448, 593  
 Boston Society for Medical Observation, 456  
 Bowditch, H. P. Recent progress in physiology, 67, 97  
 Brandy administered subcutaneously, 509  
 Bright's disease, 385 ; loss of vision in, 386  
 Broken breast, cases of, 823  
 Bronchus, a case of foreign body in the, 258  
 Buckingham, Charles E. Artificial feeding of infants, the, 643 ; attentions to the new-born child : congenital deformities, 467 ; gum-cutting, 65 ; on the treatment of suspended animation in new-born children,

187. See also, 335. Some practical hints concerning the care of new-born children, 337
- Bulletin of prevalent diseases, weekly, 59, 87, 116, 143, 175, 216, 248, 276, 307, 336, 367, 386, 427, 456, 487, 519, 547, 579, 609, 641, 669, 701, 739
- Bunker Hill, the sick and wounded at, 731
- Cabot, S. Cases of ovariectomy, 521
- Cancer of the right supra-renal capsule, 134
- Cancer of the uterus, pregnancy, 445
- Cannel coal, comparative expense of the English and American, 444
- Carbolic acid, the antiphlogistic action of, 167
- Carney Hospital, operations at the, 753
- Catarrhal pneumonia, a remarkable complication of so-called, 549
- Caution, a, 456
- Chadwick, James R. A case of immediate transfusion, 33; ovariectomy, 367; the diseases of America: letter from a Hessian surgeon, 715, 733
- Cerebellum, the lesions of the, 50
- Cerebral symptoms due to disease of the ear, 525
- Charleston, letter from, 637
- Charter, the new city, 79
- Child-bearing, age at which it ceases, 51
- Children (new-born), some practical hints concerning the care of, 337
- Children's diseases, recent progress in the treatment of, 129, 155
- Circumscribed analgesia, case of, 137
- City charter, the new, 79
- Clarke, Edward H. Public parks: an address to the legislative committee on drainage and sewage, 359
- Clinical notes of cases of rheumatism, 191; at Vienna General Hospital, 322
- Coccydynia, removal of the os coccygis for, 613
- Colloid degeneration of both ovaries, 385
- Colon, case of incarceration of, resulting from a previous attack of syphilis, 74
- Comparative mortality rates, 60, 88, 116, 144, 176, 216, 248, 276, 336, 368, 398, 428, 456, 488, 519, 547, 580, 609, 641, 670, 702, 730. See also, 577
- Complete outward dislocation of the elbow without fracture, 369
- Concours in France, the, 511
- Congenital malformation of the oesophagus, 443
- Contagiousness of puerperal fever, the, 323
- Curious result following cicatrix of the membrana tympani, a, 692
- Cyclopaedia, Ziemssen's, 13
- Dangers of summer resorts, the, 756
- Death-rate, an inquiry into the causes of its increase in Boston and suburbs in 1872 and 1873, 217. See 293
- Derby, Hasket. On the treatment of ophthalmia of new-born children: a reply to Dr. Williams, 189; by nitrate of silver, 375
- Dermatology, recent progress in, 649, 682
- Dermoid cyst of the ovary, 74
- Detroit, letter from, 632
- Diagnosis and treatment of chronic eclampsia and epilepsy in childhood, 327
- Diarrhoea of typhoid fever, on the treatment of, 359
- Dimock, Dr. Susan, 635
- Diphtheria, treatment of, 366
- Diseases of America, the: letters from a Hessian surgeon, 715, 733
- Division of the tendo-Achillis in certain injuries about the ankle, 611
- Dwight, T., Jr. Recent progress in anatomy, 259, 262
